PROFILE SUMMARY

Motivated Computer Science (AIML) student with strong foundations in Python, OOPs, DBMS, and core software development concepts. Hands-on experience in building and deploying machine learning models through academic and internship projects. Comfortable with SQL databases, structured queries, and data analytics.

EDUCATION

B.Tech in Computer Science (Artificial Intelligence & Machine Learning)

MallaReddy Institute of Technology And Sciences, Hyderabad, Telangana

2022 - 2026

CGPA: 7.91

TECHNICAL SKILLS

Data Analysis: Python, Pandas, NumPy, SQL, Data Cleaning, EDA
Data Science & ML: Machine Learning Basics, LLM Fundamentals, Scikit-Learn
Visualization & Tools: Power BI, Matplotlib, Seaborn, Jupyter Notebook, Git, GitHub
Databases & Web: SQL Databases, Flask, Gemini API, Twilio Webhooks, ngrok

PROJECTS

AI Sales Call Agent | Python, Flask, Gemini API, Twilio, ngrok

- Developed an AI-powered voice sales agent using Python, Gemini API, and Twilio to automate customer calls.
- Integrated real-time speech processing, AI response generation, and Flask/ngrok webhook handling.

Detection of Ransomware Attack Using Disk & Usage Data

- Built a machine learning ransomware detection classifier evaluating system activity patterns and disk analytics.
- Extracted behavior features and trained classification models with high detection precision.

Calories Burned Prediction Model

- Developed a regression machine learning model to predict caloric burn based on biometric metrics.
- Performed comprehensive data cleaning, feature preprocessing, and exploratory data analysis.

INTERSHIPS

SAL Biosciences Pvt. Ltd. - Data Analyst & AI/ML Intern

Jan 2026 - July 2026

- Applied Python, SQL, and ML for data analysis, visualization, dataset prep, and business reporting.

Edunet Foundation - Foundations of AI Intern

Apr 2025 - May 2025

- Developed & deployed ML models using Microsoft Azure Cognitive Services and Azure ML Studio.

ACHIEVEMENTS & CERTIFICATIONS

- Bionic Eye Hackathon Project Presentation | College Hackathon Showcase
- Certification: Power BI Data Visualization (10000Coders)
- Certification: AI Sales Call Agent Systems (10000Coders)
- Certification: Learning AI Tools (OutSkill)
- Learnathon Volunteer Leadership | MRITS College Workshops

SOFT SKILLS

Problem Solving | Team Collaboration | Analytical Thinking | Fast Learner
